

Child Safe Standards Policy

Victoria has introduced compulsory minimum standards for organisations including sporting Clubs that provide services for children to help protect children from abuse. The child safe standards will apply to sporting organisations from 1 January 2017.

Our commitment to child safety

Mentone Hockey Club is committed to child safety.

We want children to be safe, happy and empowered. We support and respect all children, as well as our coaches and volunteers.

We are committed to the safety, participation and empowerment of all children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures.

We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

Our organisation is committed to preventing child abuse and identifying risks early, and removing and reducing these risks.

If you believe a child is at immediate risk of abuse phone 000.

Key Principles:

This policy is intended to empower children who are vital and active participants at Mentone Hockey Club. We involve them when making decisions, especially about matters that directly affect them. We listen to their views and respect what they have to say.

We promote diversity and tolerance and people from all walks of life and cultural backgrounds are welcome. In particular we will:

- promote the cultural safety, participation and empowerment of Aboriginal children

- promote the cultural safety, participation and empowerment of children from culturally and/or linguistically diverse backgrounds
- ensure that children with a disability are safe and can participate equally

Our coaches and volunteers

This policy guides our coaches and volunteers on how to behave with children in our organisation.

All of our staff and volunteers must agree to abide by our code of conduct which specifies the standards of conduct required when working with children.

Training and supervision

Mentone Hockey Club aims for all coaches and volunteers (in addition to parents/carers and children) to feel confident and comfortable in discussing any allegations of child abuse or child safety concerns. We will help our coaches and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse.

We also support our coaches and volunteers through ongoing supervision to: develop their skills to protect children from abuse; and promote the cultural safety of Aboriginal children, the cultural safety of children from linguistically and/or diverse backgrounds, and the safety of children with a disability.

New coaches and volunteers will be supervised regularly to ensure they understand Mentone Hockey Club's commitment to child safety and that everyone has a role to play in protecting children from abuse, as well as checking that their behaviour towards children is safe and appropriate (please refer to Mentone Hockey Club's code of conduct to understand appropriate behaviour further). Any inappropriate behaviour will be reported

through appropriate channels, including the Department of Health and Human Services and Victoria Police, depending on the severity and urgency of the matter.

Recruitment

We take all reasonable steps to select skilled people to work with children. We develop selection criteria and advertisements which clearly demonstrate our commitment to child safety and an awareness of our social and legislative responsibilities. Our organisation understands that when recruiting staff and volunteers we have ethical as well as legislative obligations.

All people engaged in child-related work, including volunteers, are required to hold a Working with Children Check and to provide evidence of this Check.

We carry out reference checks to ensure that we are recruiting the right people. Police record checks may be used for the purposes of recruitment only and would be discarded after the recruitment process is complete. We do retain our own records (but not the actual criminal record) if an applicant's criminal history affected our decision making process.

If during the recruitment process a person's records indicate a criminal history then the person will be given the opportunity to provide further information and context.

Fair procedures for personnel

The safety and wellbeing of children is our primary concern. We are also fair and just to personnel. The decisions we make when recruiting, assessing incidents, and undertaking disciplinary action will always be thorough, transparent, and based on evidence.

We will record all allegations of abuse and safety concerns using our incident reporting form, including investigation updates. All records will be securely stored.

If an allegation of abuse or a safety concern is raised, we will provide updates to children and families on progress and any actions we as an organisation take.

Legislative responsibilities

Our organisation takes our legal responsibilities seriously, including:

- Failure to disclose: Reporting child sexual abuse is a community-wide responsibility. All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to the police.
- Failure to protect: People of authority in our organisation will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
- Any personnel who are mandatory reporters must comply with their duties.

Regular review

This policy will be reviewed every two years and following significant incidents if they occur. We will ensure that families and children have the opportunity to contribute. Where possible we will do our best to work with local Aboriginal communities, culturally and/or linguistically diverse communities and people with a disability.

Allegations, concerns and complaints

Mentone Hockey Club takes all allegations seriously and has practices in place to investigate thoroughly and quickly. We will provide instruction to coaches and volunteers to deal appropriately with allegations.

We work to ensure all children, families, staff and volunteers know what to do and who to tell if they observe abuse or are a victim, and if they notice inappropriate behaviour.

We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place (see information about failure to disclose above).

If an adult has a **reasonable belief** that an incident has occurred then they must report the incident. Factors contributing to reasonable belief may be:

- a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)
- behaviour consistent with that of an abuse victim is observed
- someone else has raised a suspicion of abuse but is unwilling to report it
- observing suspicious behaviour.

Issued by the Mentone Hockey Club Executive Committee - 2017
